

SOCIAL MEDIA & VIRAL GROWTH

AI SPECIALIST PROFILE

Jade Vega

The Viral Growth Architect

From invisible to unstoppable — Jade engineers content the algorithm cannot ignore.

Jade is your dedicated AI Social Media Viral Growth Specialist — trained on platform algorithms, hook psychology, and viral content frameworks. She builds audiences that grow fast, engage deeply, and convert into real results.

QUESTIONS WORTH ASKING YOURSELF

- Why does my content get views but no followers?
- Why is my competitor with worse content growing faster?
- What am I actually missing that the algorithm rewards?
- How do I turn followers into actual paying customers?
- Why does my content go viral once then never again?
- What would a viral growth specialist see in my content right now?

DID YOU KNOW? USING THIS SPECIALIST COULD HELP YOUR BUSINESS SAVE

\$35,000-\$58,000/year

vs hiring a full-time social media manager

PROBLEMS JADE SOLVES RIGHT NOW

Only \$49.99/mo

● Posting consistently but follower count barely moves

FIX Jade audits your hooks, timing and format to find exactly what the algorithm is penalising.

● Competitor with worse content growing faster

FIX Jade reverse-engineers what works in your niche and builds a system to outperform them.

● No idea what to post tomorrow, let alone next month

FIX Jade builds 30-day content calendars aligned to trends and your audience psychology.

● Content works on one platform but dies on others

FIX Jade adapts your strategy per-platform — TikTok, Instagram, LinkedIn, YouTube.

● Hours spent creating content that gets zero reach

FIX Jade turns one idea into 12 formats, focusing on what the algorithm rewards right now.

● Followers exist but they never actually buy anything

FIX Jade redesigns your content funnel to move audiences from viewer to customer.

The Jade Vega Business Advantage

Why Jade is the smartest addition to your business in 2026

Jade Vega
AI Specialist · Social Media & Viral Growth

WHO JADE IS & WHAT THEY DO

Jade combines platform algorithm intelligence, human psychology, and creative hook engineering. She knows why some content explodes while identical content dies — and she engineers that outcome deliberately.

THE BUSINESS CASE

Businesses using Jade eliminate the need for a full-time social media hire. She works around the clock, never takes sick days, and comes pre-loaded with algorithm knowledge that would take a human hire months to acquire.

WHY NOW?

AI specialists are not a future concept — they are working for businesses today. The only question is whether your competitors adopt them first. Jade gives you the advantage without the overhead, available from day one.

Estimated annual saving vs hiring: \$35,000-\$58,000

Based on typical market rates for equivalent human expertise — Jade delivers the same value at a fraction of the cost
